Blockquotes

Markdown is a lightweight markup language with plain-text-formatting syntax, created in 2004 by John Gruber with Aaron Swartz.

Markdown is often used to format readme files, for writing messages in online discussion forums, and to create rich text using a plain text editor.

Tables

Left columns	Right columns
left foo	right foo
left bar	right bar
left baz	right baz

Blocks of code

```
let message = 'Hello world';  
alert(message);
```

Inline code

This web site is using `markedis/marked`
